[Important update on Winter Party Festival 2022](#)

Dear Winter Party Guests,

I am writing to let you know that I have made the difficult decision to cancel Winter Party Festival 2022. With the near-exponential and continuing increase in cases of COVID-19, this decision is being made in the interest of prioritizing the health and well-being of all who would otherwise be physically present in Miami in early March. I want to recognize our dedicated team of volunteers on the Winter Party Festival Committee and staff members that have poured so much time into this unique and incredible event that supports the LGBTQ+ community and beyond. At a time when we would like to do nothing more than to come together and celebrate our community, our resilience, and our connections, we share in your disappointment.

Because we wanted to inform you as soon as possible, we don't have answers to all of your immediate questions. Over the next two weeks, we will be working to get you information about ticket or pass refunds and other related issues.

We appreciate your patience & continued support of Winter Party and the National LGBTQ Task Force as we continue to navigate through this time. We look forward to returning once again to Winter Party so that we can all live free, play hard, and give back.
